Prof. G.S. Bajpai addressed the audience in Seminar on 'Cyber Resilience and AI Security' on August 12, 2025

Prof. G.S Bajpai was invited as a 'Special Guest' in Seminar on 'Cyber Resilience and AI Safety' organized by CyberPeace Foundation in association with DELNET India on August 12, 2025. In his address Prof. G.S. Bajpai shared his views on the core issues at the intersection of cyber resilience and AI safety and how to equip academic and research institutions with trained cyber responders. The participants included dignitaries from various educational organizations, institutions, faculty members, philanthropists and expert individuals.
